

ALLERGEN FREE STATEMENT

To Whom it may concern:

“Organic Ethyl Alcohol 96%vol. made from wheat” is produced Naturally from organically grown wheat.

Regardless of this, because gluten (contained in the wheat) is not fermentable, so it doesn't produce alcohol and the distillation stoke works with evaporation in the production plant. Meaning the distillation composed of five columns plates, assures an absolute absence of proteins dragging.

The product is considered Gluten Free.

I hereby certify that the “Organic Ethyl Alcohol 96%vol. made from wheat” **doesn't contain any allergen listed in the INCO Regulation (EU) No. 1169/2011** of the European Parliament and of the Council of 25 October 2011 concerning consumer information on foodstuffs, amended by Regulations (EC) No. 1924/2006 and (EC) No. 1925/2006 of the European Parliament and of the Council and repealing Directive 87/250/EEC of the Commission, Directive 90/496/EEC of the Council, Directive 1999/10/CE of the Commission, Directive 2000/13/EC of the European Parliament and of the Council, Directives 2002/67/EC and 2008/5/EC of the Commission and Regulation (EC) No. 608/2004 of the Commission.

True and correct,
